

“Shine Down Under” - Fine Arts and Activity Camp ‘09

Class Descriptions

Aussie Oils – Learn how to use this versatile art medium as you create your own Australian masterpiece; suitable for framing.

Aboriginal Dot Painting – Using an authentic native painting technique, create your own fabulous pictures.

Great Barrier Reef – Make an art project that moves! Learn about the inhabitants of Australia’s Great Barrier Reef and create your own mobile of coral, fish and other underwater creatures.

Desert Clay – Create your own Australian landmarks, like Ayers Rock, and other fun projects with our favorite medium, clay.

Marvelous Marsupials – Using different art techniques, learn about and create the amazingly different animals in Australia: Koalas, Wombats, Kangaroos, Platypus, and more!

Australian Sheep Station – Make your own sheep (or herd) using a fun 3D art technique. Baa, baa!

Koala Bears – Sew your very own Australian Koala Bear.

Fashion Australia – Create and model your own fashion accessories in the Australian tradition.

Crocodile Dundee River Canoes – Create your own miniature river craft and test your science skills in racing down our homemade river.

Kangaroo Cooking School – Make, take or eat your Australian food creations!

Australian Trail Mix – Create an Australian Trail Mix and other authentic snacks to eat or take home and share.

Sydney Opera House – Just kidding! We won’t sing opera, but we will sing and perform fun songs by contemporary and traditional Australian artists (like Rebecca St. James and Darlene Zschech). If you like to be “onstage” this is for you!

“Shine” Dance – Learn and perform an ensemble praise dance to one of the most popular KSBJ radio songs, performed by an Australian group “Newsboys”.

Didgeridoo – Make a replica of an authentic Australian instrument and play in a percussion ensemble. You won’t believe how cool it sounds!

Walkabout Storytelling – Learn to express yourself through the aboriginal art of storytelling, using memory, expression, hand gestures and suspense. Practice with our Veggie Tale campers.

Kookaburra Puppets – Put on a show about Australia and the animals that live there. Have fun with our puppet theater.

Down Under Games – Play traditional kid’s games from Australia in our gym.

Outback Outdoor Adventures – Boomerangs and water balloon slingshots are just a couple of fun outdoor activities for the adventurous. Come prepared to get hot in the “outback” but have tons of fun, mate!
